

Dean's Dairy is now a part of DFA (Dairy Farmers of America). At Dairy Farmers of America, we're proud to share the simple pleasure of real dairy straight from our family farms. And because our Cooperative is owned by our farmers, they're personally invested in every product, decision and step we take as an organization. That direct, personal connection to the farm makes each bowl of ice cream even sweeter.

Gallons, 1/2 Gallons, Quarts and Chugs

Dean's Dairy gallons, 1/2 gallons & quarts are packaged in a solid white container to prevent light from penetrating the package and damaging its contents. While our Milk Chugs with their innovative packaging helps provide increased sales and profits for all retailers.

Hillandale Farms

Hillandale Farms began in 1958, when Orland Bethel, who was driving a coal truck in Flushing, OH (just outside Wheeling, WV) changed career paths and started to work for an egg company there. He was so excited about the prospects of this company, that he borrowed money to purchase it, and Hillandale Farms was born. His business began as reselling eggs only. "Our purpose is to continue to provide the freshest, most delicious, highest quality, affordable eggs and egg products to our communities, in a sustainable manner"
